MORA GARDEN free-standing outdoor shower

Enjoy a refreshing shower in the summer heat, or use the handy tap to fill your watering can. As well as being versatile, our new Mora Garden outdoor shower makes a beautiful feature in your garden.

Article number: 400010

Description: Steel grey

- The free-standing model of the outdoor shower has a base with sturdy spikes that easily push into the ground. This allows you to move the shower around in your garden – or bring it along to your summer house
- The shower has two water outlets: an overhead shower and a tap
- A lever on the shower bar is used to divert the water between the shower and the tap
