

Unique characteristics

MORA MARE VI, bathtub

With one end sculpted for bathing, and the other allowing for convenient showering, the Mare VI has a slimline design with a 15mm rim. A freestanding oval shape is soft and welcoming. A perfect design for those wanting a soft, flowing bathroom aesthetic.

About the collection

The calming Mare range, meaning ocean in Latin. Freestanding baths in premium acrylic with a lighter edge thickness. Clean lines and easy curves combine with function and convenience.

In any color you want
