MORA MMIX T5 safe shower mixer

Mora MMIX combines elegance and ergonomic design with energy-efficiency.

The Mora MMIX thermostats are equipped with Safe Touch, which means that the outside of the mixer remains relatively cool to touch. Products with the Safe Touch function is suitable for environments with specific requirements, for example within nursing homes and public facilities.

The mixers were developed according to our unique EcoSafe™ concept focusing on low energy consumption and long-term environmental care.
The mixer is lead-free.

Article number: 731101.SA
Description: Chrome, incl. s-connection (2x701001)

- With shower connection down
- Pressure balanced thermostatic mixer
- Temperature handle with safety stop at 38°C, maximum temperature at 43°C
