

Unique characteristics

MORA MARE III, bathtub

A classically-inspired freestanding bath, Mare III stands on chromed 'lions feet' with a steeper drop at one end to allow easy showering, while the other lets you relax and bathe in comfort.

A beautiful, chromed overflow gives added protection against overspills.

About the collection

The Mare range, meaning ocean in Latin. Freestanding baths in premium acrylic with timeless flowing lines, generous thick edging, and peace-of-mind functional attributes.
