

Unique characteristics

LYNX miniprofi, kitchen mixer

With its clean design and elegant surfaces in black or chrome, this kitchen mixer is both a stylish centerpiece and a reliable helper in the kitchen. The nozzle with two spray patterns makes it easy to rinse vegetables, fill pots, and clean – and the high quality ensures many years of frequent use, from cooking to dishwashing. In addition, EPDs (Environmental Product Declarations) are available, making it easy to choose a sustainable option without compromising on design or function.
