

INXX II pullout kitchen mixer

The resilient matte black shade and gentle design language of the INXX II soft faucet bring a luxurious and elegant aesthetic to your kitchen.

The mixer has a convenient pullout hand shower with the option to switch between a regular water stream and a shower.

The stream returns to normal when the water is turned off.

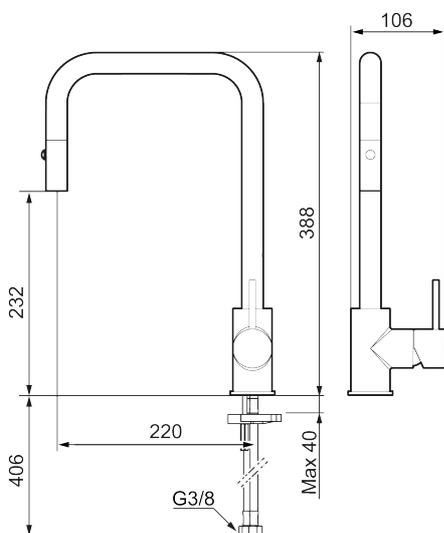

The faucet's integrated dishwasher shut-off is discreetly placed and electronically controlled, shutting off the water supply to the dishwasher 4 or 12 hours after activation.

Unique characteristics

Backflow protection unit type 

Article number: 272041.12CA **RSK:** 8312037 **Flow 3 bar:** 6.0 l/m
