## MORA MARE I, bathtub

Stillness is the word that springs to mind with the Mare I. Its contemporary, freestanding form is as much a work of art as it is a place to relax.

A symmetrical bath, with a centre plug and modern 3 cm thick edge, it comes in two sizes, with an overflow that's been designed to minimise water staining.

### About the collection

The Mare range, meaning ocean in Latin. Freestanding baths in premium acrylic with timeless flowing lines, generous thick edging, and peace-of-mind functional attributes.
