INXX II shower system kit

With its durable chrome finish the INXX II combines classic design with high performance, constant temperature, outstanding comfort and effective scald protection. The overhead shower has a large, slim shower head that looks great in bathrooms with a strong character and striking shapes, as well as in classic bathrooms designed for rest and relaxation. The mixer has been tested and approved according to current building regulations and is energy-efficient, which means it reduces water and energy use without compromising on comfort. The INXX II collection offers a world-class water experience.

About the collection
