

Unique characteristics

MORA FLEXX bath & shower system kit

In the Mora Flexx collection, strong focus has been placed on design. Soft, curved shapes are used consistently to create a coordinated look. This, along with our energy-saving functions and well-known high quality, makes them very popular with plumbers. Also see our shower and bath packages – smart all-in-one solutions with an overhead shower or hand shower set.

Article number: 282100.DB

Description: Chrome, incl. s-connection (2x701001)
