

Unique characteristics

MORA LAVA I

Made from a unique mineral composite, the freestanding Lava I bath is incredibly resistant to damage from knocks and scrapes while its insulating qualities hold your water warm for longer.

A rich and inviting bathing experience with attractive flowing lines.

About the collection

With a name that evokes the flowing mineral-rich qualities of volcanic rock. Made from a tactile, durable mineral composite with thermal insulating qualities, the Lava range combines harmonious, modern aesthetics with comfort.
