

Unique characteristics

Backflow protection unit type **EB**

MORA INXX II pullout kitchen mixer

Combining a durable chromed finish and a soft design language, the INXX II pullout faucet brings a sense of luxury and elegance to the kitchen.

The mixer has a pullout hand spray, with the option to switch between a regular water stream and a shower. The stream returns to normal when the water is turned off.

Article number: 272031.CA **Flow 3 bar:** 6.0 l/m

Description: Chrome

- Pull out telescopic nozzle with two spray patterns (normal and rinse)
- Adjustable flow control and temperature limiter
- Soft PEX® hoses with 3/8" connecting nut (stainless steel braided)
- Swivel spout 130°, adaptable for different sinks
- Approved non-return valves, EN-Standard EN1717
- Hole diameter Ø34-37 mm
